

NATIONAL DIAMONDBACK PHARMACY ALUMNI COUNCIL

Membership Committee Report

2024 Annual Meeting

June 21-23, 2024

Committee Members

- **Dr. Rita Brown, Co-Chair**
- **Mr. Jaffice Donaldson, Co-Chair**
- **Ms. Ann Brown-Roulhac**
- **Mr. Walter Clark**
- **Dr. LeMorris Prier**

Thank You!

- **Thanks to all the members of the Membership Committee for working to recruit FAMU pharmacy alumni to consider joining NDPAC. We appreciate the new members that joined us for the first time as well as the renewing members for this year. It was truly a team effort.**
 - **To the membership: Remember that your active participation in the activities of the national chapter as well as your local chapter is appreciated, and we hope that you will continue your membership and participation. We want to encourage you to actively engage with friends, colleagues and associates who are eligible for membership and ask them to join in for the 2024-2025 year.**
- 

Summary of the Year

Total Membership for 2023-2024

60 Financial Members

98 New Graduates

Goals for 2024-2025

- Increase NDPAC membership to at least 200 members.
 - Look for opportunities to recruit Affiliate Members.
 - Look at other incentives to increase membership.
 - Develop programs to foster relationships with pharmacy students.
 - Develop programs that focus on community health education that Chapters can implement.
 - Make recommendations to Chapters on organizations to partner with to increase community service projects.
 - Work with the Social Media Committee to be more visible on social media platforms.
- 

Recommendations for 2024-2025

Our recommendations for next year are the same as this year:

Update to Website

- ❖ **If new officers are elected, update National Officers on website and on membership application that is online.**
- ❖ **Have all chapter pages updated with current officers and their contact information, current local dues and meeting times.**

Recommendations for 2024-2025 By-Laws Recommendation

Recommendations for Student Membership

- The recommendation is to revisit student membership and continue to offer one-year free membership to new graduates.
- Provide an incoming and outgoing function for the P4 students at each of the campuses to introduce them to the alumni and the NDPAC. The local chapter in the area where the campus is located will be responsible for providing the functions. At the function we can obtain their contact information to keep them engaged and provide their membership cards to them before they leave the rotational campus.
- NDPAC should determine what is required to become a community service provider to provide community service hours to students to assist with events sponsored by the NDPAC, that are not a part of their required activities.
- Consider sponsoring the Leadership Skills seminar for student leaders again the future.
- Become a regular presenter at the Forums sponsor by CoPPS, IPH. Have the local chapter coordinate the presentations with the college and provide presenters.
- Continue to sponsor student leaders to attend our annual meetings.
- Investigate ways that the alumni can be more visible and engaged with the students from P1 to P4.
